

READINGTON TOWNSHIP OPEN SPACE WALK

The Forest Hill Preserve Of Three Bridges Village

“A Learning Woods” Self-Guided Nature Trail

Sunday, May 19, 2019

Meeting Time: 1:00 PM
Meeting Location: Trailhead Information Kiosk
End of Forest Hill Drive, Three Bridges
(GPS: Nearest house is 27 Forest Hill Dr. Flemington)
Park on roadside, along upper end of Three Bridges School Play Fields

This walk will explore one of Readington’s newest public open spaces, a wooded area with trails for walking, jogging, enjoying nature and environmental education. Tucked between the Village of Three Bridges and Three Bridges School, this 23 acre Township property has been developed into a network of trails with information kiosks at the entrances, benches at convenient locations, some unique trees, and a demonstration “deer enclosure.” If time allows we will walk along the South Branch of the Raritan River in a nearby section of Hunterdon County’s South Branch Reservation.

Please RSVP to: John Klotz, Open Space Advisory Board
