Enjoy the Beauty of Nature in Early Autumn

100 acres of rolling fields and woods, crossed by several streams, with beautiful vistas and surrounded by farms, this preserve contains trails from Summer Road to Pleasant Run Road. Now it includes a new wooded extension in previously un-blazed open space with trailheads on nearby Van Neste Rd. We will take a 3 mile round trip walk on a portion of the main trail and the new "Arman's Trail" recently completed by a team of scouts led by Eagle Scout candidate Jason Linz of Troop 186. We will hike about two hours on mostly level and gently sloping terrain.
