NEW JERSEY  
TREE RECOVERY CAMPAIGN

*Announces our Sixth Annual*

# TREE SEEDLING GIVEAWAY

**Saturday, April 27, 2019**

**9:00 AM – 12:00 PM; “Rain or Shine”  
READINGTON TWP MUNICIPAL BLDG  
509 Route 523, Whitehouse Station NJ 08889**

Over 1,500 seedlings of various native species will be distributed free. Up to five trees per household. Replant trees you lost in recent storms or add trees to your yard! Instructions will be available. No early birds. Need not be a resident.

The trees are seedlings:

- bare root and range in size from one to four feet in length,
- various deciduous and conifer native species (depending on what selections we receive from the State),
- need to be planted promptly, or must be stored in a cool, damp location prior to planting if not planted immediately,
- need to be protected from deer predation,
- need to be kept watered through the first year or two.

***First come, first served. No prior reservations.***
