**7) ONGOING & NEW BUSINESS**

- Upcoming RHA Stream Monitoring in June and July
- Adding monitoring sites to the RHA annual list of more than 50 sites
- Proposed Cemetery Protest – Township Planning Board meeting rescheduled
- Hionis Agricultural Development Project: Block 20, Lot 1
- Sustainable Jersey: Water Story -- The Building Block for the Newest Gold Star Standard in Water
- Holland Brook Stream Restoration Project:  
Landowner project is moving forward in collaboration with Readington Township; the latest step was submission of a disturbance report listing all property owners and public utilities potential affected by the project; project estimated start date: Fall 2021
- Prescott Brook Stream Restoration Project: exploratory discussions are moving forward with a land owner and with Natural Resources Conservation Service (NRCS) program for farm infrastructure projects through NRCS's Environmental Quality Incentive Program (EQIP); funding is available for small stream restoration when the stream adjoins farm land – the Prescott runs through a local naturalized tulip farm.
- Other
