The undersigned person hereby requests that the Readington Township Department of Public Works remove certain ash trees on a public right-of-way. This tree(s) is/are located as described above.

In consideration of carrying out this tree removal, the undersigned agrees as follows: 1. To release the Township of Readington from and give up any and all claims for bodily injury or property damage arising as a consequence of removing such trees; and 2. To indemnify and hold the Township of Readington harmless from any and all claims asserted by other persons against the Township as a consequence of removing such trees; and 3. To present to the Township Clerk a copy of the undersigned's homeowners liability insurance policy showing that the undersigned is insured against claims for property damage or bodily injury arising from removing such trees; and 4. To agree if the township decides to grind the tree stump and plant another tree.

I certify that I am the owner of, or responsible party for, the property on which the tree(s) in question are located:
