Heartfelt thank you from Readington Social Services

Happy New Year! Readington Township Social Services wants to thank everyone who participated in our Holiday Adopt a Family Program. This year continued to be a challenging year for many folks who faced several obstacles and increased needs. For many of them, there would not have been a Holiday Season if it were not for their secret Santa. Each year we are amazed and so grateful for your overwhelming response and generosity. Readington Township residents are the backbone of this community and with your help you made the Holiday Season very special for 187 individuals. Recipients received wonderful, thoughtful, and caring gifts that reflected a true balance between their needs and their special wishes.

Recipients received clothing, food, coats, toys, gift cards and Christmas trees to help make their holiday special. Your kind actions have not only made a huge impact for our clients, but you also helped renew our energy during these trying times. Inflation greatly increased the demands on this office, and we would not have been able to meet those needs without the community's continued support. Scott and I would like to personally thank everyone for their continue support not only during the Holiday Season but throughout the year. We could not do any of this without your support.

It is always difficult to capture exactly what your generosity means to our recipient families. They were touched to know that someone cared which brought newfound hope for them. Even though you could not experience their appreciation firsthand' our families let us know how thankful they were. As is our tradition, we wish to share some of them with you.

"You have saved Christmas for our family."

"Thank you so much for caring and sharing. Your kindness and gifts warmed our hearts and souls and made our Christmas warm and bright."

"Thank you so much for the help this Christmas Season! This world is blessed to have people like you in it and we are so very grateful."

Wishing you a healthy and happy New Year!!

Christine Dey and Scott Crabtree-Readington Township Social Services.
