**SOCIAL MEDIA POLICY
TOWNSHIP OF READINGTON, NEW JERSEY**

PURPOSE

This policy sets forth guidelines for the establishment and use by the Township of Readington ("The Township") of its social media sites as a means of conveying strategic Township-related information to its residents and visitors. The purpose and the scope of this social media policy is to address and regulate official use of the Township's social media platforms. This policy does not address Township employees' personal social networking. The Township has an overriding interest and expectation in deciding what is posted on behalf of the Township on its social media sites.

The purpose of this social media policy is to establish enforceable rules for the use of social media by Township officers and employees when engaged in Township business in their official capacity. Rules are necessary to assure that communications made on behalf of the Township are properly authorized and in correct form; that communications to the municipality by means of social media which can be viewed by the public are appropriate and pertinent; that all communications to the municipality are related to posted municipal information; and that the sender is clearly and fully informed that a message received by means of social media is not a substitute for required reporting procedures.

For purposes of this policy, "social media" is understood to be content, open to response and comment, created by individuals, using accessible, expandable, and upgradable publishing technologies, through and on the Internet to facilitate the easy sharing of information, pictures, videos, and news articles.
